WHAT IS PRIMERUS™?

Every lawyer in Primerus™ shares a commitment to a set of common values known as the Six Pillars

Primerus™ is an international society of top-rated, independent, small to medium-sized law firms that have earned the right to display the Primerus seal of quality.

Primerus™ has been able to attract and retain only the best law firms. There is a rigorous screening process that each firm applying for membership must successfully pass prior to being accepted into membership. Law firms in the U.S. and Canada must be AV-rated by Martindale Hubbell. For law firms located outside of North America, consideration is given to respected resources, such as, Chambers Global Guide, Legal 500 EMEA, and IFLR 1000. Further, a law firm must submit to a rigorous evaluation which includes candid assessments from judges, fellow lawyers, current and former clients, bar associations, and insurance carriers. Firms must also show proof of their commitment to the exacting standards of the Six Pillars of Primerus: Integrity, Excellent Work Product, Reasonable Fees, Continuing Legal Education, Civility, and Community Service. Primerus does the vetting, so you don't have to. And it doesn't end there. Primerus firms are audited annually to ensure they continue to be the "best of the best," year after year.

Together, Primerus™ law firms can be looked upon as one of the world's largest law firms with scores of specialties and offices around the globe. For corporate clients, this international scope simplifies the process of finding great lawyers in multiple jurisdictions. Because of their knowledge of the personal and professional qualifications of fellow members, Primerus defense attorneys are able to refer corporate clients to other Primerus attorneys with confidence. No fees are involved; referrals are simply an added benefit of doing business with a Primerus law firm. Working with independent, small to medium-sized law firms offers other advantages as well. Clients have ongoing access to senior partners offering depth of knowledge, years of experience, responsive service, a commitment to excellence, and reasonable fees.

After nearly 30 years of researching the world's best, independent law firms, Primerus™ knows where and how to find them. Search our online database or call us at 800.968.2211 to find a highly qualified lawyer in your jurisdiction.

THE PRIMERUS™ CLIENT RESOURCE INSTITUTE

The Primerus™ Client Resource Institute (PCRI) is a section of Primerus membership intended for in-house counsel, risk managers, claims managers, and corporate executives who are responsible for the legal affairs of their companies. Given the challenges of doing business in today's fast-paced, global economy, it has never been more important for companies around the world to develop trusted relationships with law firms that offer high-quality legal services at reasonable fees. Primerus™ seeks out, screens and audits our firms to make sure we have only the finest, so companies in need of legal services can call upon any Primerus™ lawyer with complete confidence that he or she is reasonably priced, highly competent, and worthy of your trust.

The PCRI was created with the help of some long-standing Primerus™ corporate clients and offers in-house counsel and corporate executives an opportunity to connect with not only great law firms and lawyers, but also with other similarly situated professionals.

WHAT IS THE PRIMERUS™ DEFENSE INSTITUTE?

The PDI is a collaborative endeavor engaging Primerus™ defense attorneys and corporate defense representatives for the purpose of lowering business litigation costs and reducing exposure to liability. Participating corporate clients are leaders in their respective industries. Participating defense lawyers meet the high standards of excellence required of membership in the International Society of Primerus Law Firms.

The PDI provides continuing legal education in the areas of liability avoidance and litigation management. Corporate defense counsel and their clients participate in an annual Convocation to explore, discuss and share best practices in reducing risk, handling claims, and defending lawsuits.

The PDI is a valuable resource for corporations seeking outside counsel in distant jurisdictions. The PDI makes it easy to find highly skilled, seasoned litigation counsel across the country. Search our online database (www.primerus.com) or call us at 1.800.968.2211.
