## China Arbitration Day in Munich

Dear Sir/Madam,

It is my pleasure to write to you a first letter on our new letter head - the result of a one year process of innovation which comes along with a new, vivid website which I invite you to visit at [www.german-law.com](http://www.german-law.com).

With this letter, I would like to invite you to join me at the China Arbitration Day which is organised by the Chinese European Arbitration Centre ("CEAC") on **September 17, 2012** in Munich. I take the liberty of attaching an invitation. Our firm is not only a sponsor of the event. We also support the international CEAC project itself for which I am presently acting on a *pro bono* basis as Managing Director. The first six pending cases show that it is well accepted both for Chinese-European disputes as well as for American-European disputes over China related matters.

It would be a great pleasure to meet you again in Munich.

With best regards  
Brödermann Jahn
